What is JobZone?

JobZone is a free, online job search and career planning system that helps job seekers make informed career decisions. The site offers up-to-date, localized career and labor market information, and tools to aid in the job search process.

The JobZone System harnesses the power of the Internet to provide information on 900 occupations. The strength of JobZone is its ability to offer local and relevant content based on the interest and jobseeking activities of users. JobZone also provides access to up-to-date job postings and basic job preparation tools such as a resume builder, reference list maker and cover letter application.
